Respite programs provide rest and relaxation for family members and primary caregivers of individuals with special needs or disabilities. Respite care enhances family health by providing necessary physical care and recreational activities for individuals while offering parents and caregivers a well-deserved break.

Allium © Bonnie Sue

The Americans with Disabilities Act (ADA) was signed into law on July 26, 1990. With new strengthening amendments passed in 2008, it continues to protect people with disabilities from discrimination in private sector employment and provides equal access to public accommodations, public services, transportation and telecommunications.
